OVER 240 BAGS DISTRIBUTED

In the spring of 2020 activities came to a stop for children due to the Pandemic. It was our goal to give children and families hope, have some fun and keep them engaged during their time spent at home. The Activity Bag Campaign was initiated to have people and agencies sponsor bags to be distributed to children who could use a boost. Thank you to the Treaty 3 Police, our community sponsors, the Kenora Chiefs Advisory, and the Kenora Rainy River Child and Family Services for sponsoring children to be able to play safely at home during this unprecedented time.
